# PARTNERSHIP OPPORTUNITIES

---

Together we can change and save lives.

Friday, September 29<sup>th</sup>, 2017  
Chateau Lacombe

**On September 29, 2017, join us for our 2nd Annual Under the Umbrella Gala - Enjoy a fabulous dinner and amazing live entertainment all while helping us save and change the lives of those impacted by domestic violence.**

---

Let's start conversations and raise our voices for victims. As more of us speak up about domestic abuse, the more we'll shift the narrative against the issue. Together, we can shed light on the root causes, challenge stereotypes and change collective attitudes.

# ABOUT WIN HOUSE

## **Mission**

WIN House exists to further non-violent relationships and environments for women with or without children.

## **Vision**

Women and children are safe and free from abuse in their environments and relationships.

United, we are strong. Since 1968, for nearly five decades, we've given women and children of all ages and cultures a safe place to flee. From passionate professionals and volunteers, to dedicated donors and champions of the cause, WIN House is committed to providing safety, support, relief and resources for abuse victims.

Today, WIN House accommodates up to 70 women and children at a time (up to 21 days) with meals, clothing, nurses, crisis intervention support, child support, pet care, valuable links to housing, legal, employment and educational services, and numerous post-shelter goods and services. It often starts with a call to our 24 hour Helpline (780) 479-0058 – It's a step towards hope, help, love and to making a plan to overcome all obstacles.

# EVENT OVERVIEW

Last year's event was a truly memorable night beneath the beautiful chandelier at the Chateau Lacombe. Guests enjoyed champagne and hors d'oeuvres while browsing a range of silent auction items during cocktail hour.

Over 150 guests joined us for an elegant evening with an important message of empowerment for women who have weathered the storm – and were ready to tell their story. Without a doubt, the inspirational highlight of the night was the speech of former WIN House client, Jill, who told her story of devastating trauma, of her journey to healing and of her courage to stand up to domestic violence.

Through an energetic and exciting cash appeal, we were able to raise over \$34,000 towards our transport van, operate the 24/7 Helpline for a full year, provide over 200 babies with diapers during their 21 days in shelter, and purchase the supplies for 30 household packages. In total the event raised \$55,000 in its first year and was a huge success! Help us make the 2017 year bigger and better than ever.

Big or small, every positive action makes a difference in the lives of abuse victims. We can do something about it. Help us change and save lives.
